HI I am not in the office at the moment but Catarina Eden is a designer who is just opening up her own unit so she should be a great help to you.

Establiished sample makers also include The Sampling Unit speak to Andrew and Park Lane STyles speak to Thomas.

If you call Vanessa on 020 8462 9620 she will be able to help you with the telephone nubmers.

Remember there are lots of ways FashionCapital can help you e.g. do a profile about you and your business. Send it to the editor jojo@fashioncapital.co.uk and lets start pushing your name out there to industry.

If you have some good photographic images then again we can put these into the gallery for you to give you added pr.
Good luck
