
Makeup Artist available for work

Posted by jsmakeup - 2008/01/10 18:23

I'm a qualified Makeup Artist (attended a MAC approved school in sunny California) and am available for photoshoots/ TV shows/ films, music videos / advertisements - well basically anything that needs a good artist!! Get in touch if you are interested, and check out my site: www.myspace.com/jennybaby29

Thanks!!

Dear Jen,

Fashion Enter Ltd have over 1000 designer members and they are always looking for your services

Can you send me a bio / resume about yourself and we will distribute it, to emily@fashioncapital.co.uk

You should also send a profile about yourself and your work to jojo@fashioncapital too and this will go on the fc site free of charge.

Good luck
