
Work Placement For ND Fashion Student?

Posted by k3rr7 - 2008/01/14 18:18

I am currently at college doing a BTEC ND in Fashion and I like to gain experience by doing a work experience. I am really interested in styling, PR, working with a magazine or anything similar.

I am very hard working, reliable and friendly.

A CV or examples of work can be sent upon request.

Or you can email me on this address! x.kerry.x@hotmail.com

Hello,
I'm Claudine, and we run a handbag label. We are doing the run up to London Fashion Week, and are looking for work experience people. We make all the bags in house, so there is cutting and sewing work. The business is small, though, so you will get a really good idea of what the process is, emailing, press, and shop sourcing. We need people from now, so if you are interested ring me on 07856063571. Our website is www.claudine.gb.com if you want to get a better idea,
Thanks,
Claudine Sawan
