Is there anyone or company who needs a teaching assistant in fashion designing, to help beginners in pattern cutting, garment construction, hand finishings and just general help in designing perhaps projects ect.

Please email me at mariemartin03@aol.com

Hi,

You write a 200 word profile about yourself and what you do and email it to me at emily@fashioncapital along with a picture of yourself and I can post it up on the profile section of Fashion Capital to advertise your services for free,

Regards

Emily
