Hello Richard,

Have you tried our in house pattern cutter, Feride Aydemir based at the Boutique in Barking on 020 8517 3454, Feride is an extremely talented seamstress and also has her own label Melanka & Me. If Feride is unavailable to work try Robins and Wright on info@robinsandwright.com or for more information the website is <http://www.robinsandwright.com>

Hope either of these can help you.

Kind Regards

Emily
