
placement offered

I'm a womenswear designer based in West London preparing to show my third collection at LFW in February '05. I'm looking for an assistant specifically who has strong skills in laying patterns & cutting out final garments in fabric. Also visiting buttonholers to finish garments etc...answering phone etc.

I've been sponsored by Lee Cooper & collaborating with "La Momo", a space pop band doing a gig/catwalk show. I can be contacted initially at octogogirl@ntlworld.com

Thanks, Helen Maher.
