and its brilliant. I am a CMT unit and I have already been through the forums and picked up work.

At last something that brings work in for the little guys.

U amd me both Bino. i have picked up loads of work to with the designers and now I am trying to help the designers . i promised Jenny i would look on the forums and answer questions when i could.

i run CCS Ltd and I have orders from Rachel Proud at Topshop and now I oads of other designers.

This site is good for making business happen for the little businesses.
