Hello

I am developing Fashion Accessories like Bags, Purses, Belts, Sunglass cases, Cell Phone Cases in Variety of Hand embroidery and Fabrics in India.

So far these products are not common in the Market and interested to supply them or like to work for the stores, boutique or designers who are interested to deal in related items and their developments.

In addition to this I do Home furnishing textiles, Handicrafts, paper products, Quality Incense Sticks and related items.

Any One interested can contact me on email:
