Does anyone know the make of this t-shirt and where I might find it?  
The first picture show's the logo and the second shows the t-shirt in its full beauty

Hi, this is a tough one....I will ask some contacts for you and try to get back...

Good luck if you find out before we do let us know...

Intrigued!

Jenny

The little logo is Pierre Cardin, so i would guess that the shirt is vintage :-)

Yes, it is vintage Pierre Cardin sometimes they turn up on e-bay or at vintage shops like Beyond Retro. ;)
