Are you aware that our sister company Fashion Enter Ltd has a boutique to showcase new desginers collections. There is no charge for rent but they take 40% commission of retail sales. They are opening up a second site in Barking and also looking into a retail unit in Kingston too.

If you are interested called their head office on 020 8462 9620; Vanessa, the Development Manager is now on hoiday for two weeks but talk to Jenni Sutton or Emily Tullett for more info.

Regards

Jenny
