Have you thought about calling Hayliegh the boutique manager on 020 3 132 2433 to arrange an appointment to view?
We are opening in Barking shortly too.

I didn't actually as I thought the boutique was established for up & coming designers & not for mainstream designers.
Both Alannah Hill & Ginger & Smart from Australia are pretty much established names in the UK now and widely available but there is always room for growth. I will make a call tomorrow.

Honestly think its a call...we look for quality garments, as I am ex M&S selector trained a garment has to be as good on the inside as it does on the outside!

Our customers want individuality and there is some price sensitivity in Croydon too. Think its wise for you to pop down there and give it a review...
