As the web address suggests ([www.onlyOne.com](http://www.onlyOne.com)), every item in this fabulous treasure trove of vintage designer clothes is one off. The store stocks Mamie clothes ([www.mamiedesigns.com](http://www.mamiedesigns.com)) - each item is made out of beautiful materials from different eras, so one dress may consist of delicate 19th century lace along with 60s Tibetan cloth and costume jewellery. Every piece in the Mamie collection has been carefully designed to marry unusual materials and textures - the results are spectacular. Mamie clothes are stocked in Harrods, and Jade Jagger frequently visits the Notting Hill stockist One. If you would like to see the Mamie collection, then either visit [www.mamiedesigns.com](http://www.mamiedesigns.com), or visit One is Notting Hill: One, 30 Ledbury Road, London, W11 2AB.

Hi,

Why don't you put together a short release with a few product images (low res j-pegs) and we'll get the info up for you on the main part of the site. Send to [jojo@fashioncapital.co.uk](mailto:jojo@fashioncapital.co.uk) -the info could be easily missed here.

Regards,

JoJo

Another idea would be to show some of your garments off on the online boutique here at fashioncapital. WE have over 50% of our hits coming from America and recently we had a Barneys buyer (from New York no less!) come into our boutique at Croydon. Yolanda was totally impressed with [fashioncapital.co.uk](http://fashioncapital.co.uk) site and was intrigued to see what we had to offer in Croydon!
