## Over locking

Posted by paulcharles - 2007/08/20 19:24

---

I am based in Lincolnshire - does anyone know a person who would be free to train machinists ? Please

WE work with a lady called Gonul who may travel up to Lincoln for you...I am not in the office now but if you call Vanessa on 020 8462 9620 and ask for her mobile number lets see if she can help you.

Good luck

Jenny
