## Where can i buy metal labels?

Posted by nataliebirchall - 2007/08/15 17:12

---

Hi all,

I'm desperately seeking metal labels for the inside of my handbags and i can't find a manufacturer of this kind of label anywhere, only woven. Can anyone help me?

Many thanks  
Natalie :)

Hi... try this site: [www.bcilabels.com](http://www.bcilabels.com). I'm NYC based fashion designer, i get my labels done by them, not for metal though, but I know they make metal labels.. i hope this works!!
