
Wholesale License...

Posted by lucylove - 2007/08/27 10:29

Hi,

I've just re-located to London from the US, I have a small label called Chelsea Rebelle I need to start purchasing fabric and what not wholesale and I cannot find where I get a wholesale/resale license from.

If someone could point me in the right direction that would be amazing!

Thanks!

In the UK you don't need a wholesale license to buy fabric / trimmings :-). Most places will either have a £35-£50 minimum spend or a 10 metre roll minimum. Hope that helps :-)

its £75 plus vat to join and we also have two boutiques to help you sell your garments in too.
