
Premier - Paris and fabric shows

Posted by vibes - 2007/09/02 11:24

I haven't attended fabric shows/trade events for quite a while now - anyone know of any good ones coming up in the next few months , especially dates for Paris ones
Thanks :)

Give Vanessa a call in our office 020 8462 9620. She is the Deveopment Manager of Fashion Enter the sister site to FashionCapital. see www.fashion-enter.com. This is a members only site and Vanessa is going to Prem on behalf of our 1000 plus members.

We have organised two visits to trend organisations too whilst Vanessa and Jenni are there so the information we will be able to put on to the site will be fantastic!

Regards

Jenny.
