I was wondering where on this site can images of the designers clothes be found, or if you guy have individual sites, if so can you email it so post it below.

Your Contribution will be very much appreciated, my details are below.

Hi Nana,

Collection/designer images can be found in various sections of this site - have a good nose about. First there is the rotating gallery to the right, sometimes in the main news section we feature or interview a designer, check out 'profiles' on the news dropdown tab, 'blogs', 'presszone' and the boutique as well. [www.enter-boutique.com](http://www.enter-boutique.com) is also worth a look too, lots of up and coming designers there. Also if the designer has their own site their link will be added to the end of the feature, profile, press release etc.

Hope that helps.
