Urgently looking for a hair stylist for a Test shoot I'm styling on Monday 3rd of December, the Test shoot will take place in the London area, and will be in the afternoon, the Test is on a TFCD basis. The photographer is Jonnie Chambers and we already have a Make Up artist and a model from Premier Models. If you are available and interested please get in contact with me via 07999720427 or via email [mervynboriwondo@hotmail.co.uk](mailto:mervynboriwondo@hotmail.co.uk)

This will be a fantastic opportunity for someone looking to build their portfolio.
