The forums have always been highly successful on [www.fashioncapital.co.uk](http://www.fashioncapital.co.uk) to help you and your business.

These forums are answered by industry experts and they are free for online registered users.

We monitor the forums each day to ensure that there are appropriate postings on the site. There are actually six moderators to ensure that all posts are correct.

We do not allow blatant advertising on these forums - we have a press zone for this and such posts are deleted.

If you wish to apply to have a feature written about you and your business or would like to have a press article/trade release posted on the press zone then contact [jojo@fashioncapital.co.uk](mailto:jojo@fashioncapital.co.uk)

Thank you
