
hand finisher/beader/jewellery maker

Posted by mmartin8 - 2008/01/07 15:50

I specialise in hand finishing and beading on bridal and evening wear, and am presently looking for freelance work. I also make bridal bespoke hair clips and jewellery, necklaces ect, depending on whats needed i make it to go for any occasion and colour.

Please do let me know if anything becomes available:

My email is: mariemartin03@aol.com

Thank you for your reply I know lots of designers that will be interested in this service but will want to see your work. Can I suggest that you contact jojo@fashioncapital.co.uk and send over some jpeg images of what you can achieve with a bit of a bio about yourself...this way we can tell our designers all about you and what you can offer.

Thanks.
