## Footwear Designer Available

Posted by TraceyH - 2008/02/15 17:26

---

Hello there,

I Graduated from a top footwear design course in 2007 and am currently working freelance designing women's and children's footwear. Men's footwear and accessories were my speciality at university, my design talents can spread across the borders. I am always looking for a challenge and interesting positions whether part or full time. Please contact me for more specifics such as experience and education.
