Hi All,  
Caroline Charles London 56/57 Beaucham Place London SW3 1NY

As I was passing by the above shop had an advert in the window asking for Person Wanted Visual Display. apply within. I called in and the job is for an experienced person. Further chat and I mentioned that I know that a number of people recent graduates in Fashion are finding it difficult finding work that will give them experience in the fashion industry They asked me to get these people to write in with cv's and they may be able to find work for them in the shop or workshop The address is above.
