Perugia-Pakohia Ltd. is a new fashion label started by me and my partner. We design high end fashion and we are currently developing our first autumn/winter collection which at the moment is being manufactured in London.

We are looking for a Photographer and a Make-up artist who would like to expand their portfolios in a collaboration. We are basically looking for two professionals who love their work and would like to help us with our first photo shoot. Unfortunately we can not afford to offer a lot of money at this stage however if the collaboration and the result is good we will consider continued payed future collaborations.

If this sounds interesting do send us an e-mail with some information about yourself and a few samples of work too

perugiapakohi@live.co.uk and we will get back to you ASAP.:cheer:
