
SHOE DESIGNER REQUIRED FOR COMMISSIONED WORK

Posted by lolabunnie - 2008/02/21 12:50

We are a high end womenswear designer company based in Chelsea called Lily London.
we are looking for a shoe designer to work with us to produce a couple of styles to our requirement to be sold in our showroom alongside our clothing range.
Anyone interested should contact lola@lilylondon.com with your experience and availability.

I've done business with a designer called Nick White of Whiteandco (1890) Ltd.
He's got a manufacturing background and so should be able to find you designs that have as much tooling as possible available already. Get in touch if interested and I'll find his email or phone number
john at animal.nu
