Does anyone know if you have to be living in the UK to join Fashion Enter?

Hi Jenny,

You can become a member of Fashion Enter wherever you come from. We currently have a number of designers who stock in the Boutique from various countries such as Poland, Argentina and Japan. Fashion Enter annual membership fee is Â£150 +VAT. If you wish to stock in our Boutiques you will have to email images of your collection to the manager at hayleigh@fashion-enter.com. If you require any further information do not hesitate to contact either Hayleigh on the address above or myself on emily@fashioncapital.co.uk
