
Events Management Internships!!!!!!

Posted by LJulian - 2008/03/12 14:54

Hi,

I am interested in completing a six-week work placement for an Events Company/Organiser. The dates which I will require for the work placement, will be from Monday 14th April-23rd May 2008. This would make up a module towards my degree course.

I am currently studying Fashion Marketing & Promotion as part of my Fashion Promotion & Imaging degree. I am very much interested in PR, Events Management or Production as a future career. My general interests include Fashion, Beauty, Music & Lifestyle.

I am very organised, dedicated and hard working and I feel that I would be of benefit to anyone who is looking for Interns within this area. I also have strong communication skills and enjoy speaking to clients both over the phone and in person. Completing the placement would equip me with a good insight into this aspect of the Industry. I am flexible and would not mind taking on personal duties or working within a team.

I have a recent copy of my C.V. available on request.

Please feel free to contact me as soon as possible, in order to discuss possible careers further.

Please email me at:

I look forward to hearing from you soon.

Kindest Regards,
L. Julian
