## Work Experience

Hello, I am a hard working and reliable first year fashion student seeking work experience from mid June of this summer. As my degree course does not include a work placement and I am unsure as to which area of fashion I would like to specialize in, I am seeking any placement in order to further my understanding of the industry. Any help or advice would be much appreciated! Please contact me on holz293@hotmail.com.  
Many Thanks,  
Holly

Hi Holly,

You should write a profile about yourself 150 - 200 words which we can then post on the profiles section of FashionCapital to increase the amount of exposure you receive as [www.fashioncapital.co.uk](http://www.fashioncapital.co.uk) is currently no. 12 on google for the wording "Fashion" and the volume of traffic is never ceasing to increase. Please forward your profile to [tom@fashioncapital.co.uk](mailto:tom@fashioncapital.co.uk) to help find the perfect placement for you,

Kind Regards,

Emily

Want to work in fashion?

If you've seen *The Devil Wear Prada*, you'll know that the fashion industry is a notoriously difficult industry to get into, and even trickier to be successful in.

StyleAware are running a series of one day beginner's workshops from the 7th-18th July.

Led by Faye Marriott, this unique course provides an insight into the exciting world of fashion assisting and styling for those who want to succeed in this fast growing, fast paced and cut throat industry. You will be introduced to the fundamental basics of fashion assisting which will enable you to eventually become a stylist in your own right. The course also covers:

• How to get started, work experience, who to contact, cover letters and CV building.

• Fashion internships-everything you need to know to be a success, from introductions to PR agencies, how to stand out from the rest, to the rules and etiquette of the dreaded 'fashion cupboard'

• How to assist on fashion shoots- learn how to become the best fashion assistant in the business, and become indispensable to stylists.

• How to get your first paid job as a stylist, portfolio building and how to be a stylist on your own.

Places are limited and cost £100. For more information and to book please email [info@styleaware.co.uk](mailto:info@styleaware.co.uk).
