## Fashion enter services

Posted by illumine - 2008/03/20 07:05

---

Hi,

This is regarding gathering complete info on what services fashion enter can offer to an Indian company for procuring orders for seasonal collections as well as promoting an India based design studio.

I am afraid i haven't yet been able to find a link where i can connect with someone who can give me complete details on this.

Looking forward....

=====
