
cashmere business

Posted by hyclothing - 2008/03/25 16:02

Hi, All

Can anybody tell me how can i reach the customer, i mean the wholesaler on cashmere in the UK? Thanks for your help...

B/R

Hello Frank,

This question is very vague and requires an extensive answer. You need to think about your product, marketing plan, market pitch etc. This is why we have Fashion Enter for mentoring and one to one support. You will need to become a member to access the extensive help that you can receive on the Members Forum.

For more info please contact the Head Office on 020 8462 9620,

Kind Regards

Emily
