Hello All,

Why not become a member to benefit from the exclusive members forum in the community section?

The members forum has been created to provide designers with greater depth responses to assist the development and success of your company by going above and beyond the normal responses you would receive in the free forums provided.

Not sure if you know but if you type into Google the word "fashion" FashionCapital is now ranked 11th in the world! This is an amazing opportunity for any designers who wish to join and as a member you are entitled to a few online boutiques. Profile was spotted on FashionCapital and that's why Profile is now off to New York in September 08!

The site has over 5.5m hits a month from 60,000 unique users; we know designers have sales off this site so you are missing an amazing opportunity here!

Get your online boutique up and running today.

Remember if you have any problems call Tom on 020 8462 9620 or email at [tom@fashioncapital.co.uk](mailto:tom@fashioncapital.co.uk).

Kind Regards

Emily
