Hi Sarah,

Beautiful website and lovely designs. Why don't you write a profile about yourself that we can post up on www.fashioncapital.co.uk and send to tom@fashioncapital.co.uk? We currently receive over 5.5million hits every month from over 60,000 unique users in contribution to the increased exposure you will receive.

You should also consider becoming a member to benefit from the Members Forum, providing extensive industry advice, the opportunity to stock in both Enter Boutiques located in Croydon and Barking, as well setting up your own online boutique through fashioncapital.co.uk avoiding all the hassle of creating and paying for your own, to mention but a few services we offer.

If you require any further information regarding membership or your profile, you can contact me on 020 8681 5014.

Kind Regards

Emily
