
Lingerie Machinist/ manufacturer wanted

Posted by Pam Jospheh (imported from previous forums) - 2004/01/28 09:18

I am looking for either a) c company willing to make lingerie on a small scale or b) one or maybe two machinists who have experience in the manufacturing of womens Bras. Initially it will be for small orders with a view of larger production requirements in the near future. Contact Pam on PamelaJoseph@fsmail.net
