## Denim Designer Required

Posted by zakman - 2008/04/25 10:10

---

We are an offshore manufacturer based on the outskirts of Manchester specializing in manufacturing, importing and selling denim jeans to the major department stores in UK. Looking to hire a designer with relevant bottomwear design experience of 3+ years. You may reply by email to zakman99@hotmail.com or to this post.

Hello there,

Have you checked out the Manufacturer's Online Showroom on [FashionCapital.co.uk](http://FashionCapital.co.uk)? This is a unique advertising concept created to assist designers in finding the perfect manufacturer that best suits their requirements using the Showroom's quick and easy to use filter system. In return manufacturer's receive greater exposure and more work via our 5.5million hits every month from over 60,000 unique users. This has proven to be an extremely useful method of advertising as Andrew from The Sampling Unit in London can confirm as he receives more enquiries through [FashionCapital.co.uk](http://FashionCapital.co.uk) than through the Yellow Pages or Yell.com.

If you would like to receive any further information regarding the Showroom and prices plesae do not hesitate to contact me either on [emily@fashioncapital.co.uk](mailto:emily@fashioncapital.co.uk) or 020 8681 5014.

Kind Regards

Emily
