Hi everyone,

I'm Tobi and fashion is my religion. I'm 18, experienced in admin and PA work, with good references, and impeccable organisational and communication skills. I'm looking for PA work within fashion. Not only will I be amazing at this job, I'm positive that I'll enjoy it thoroughly. Although my age may say otherwise, I have the intellectual autonomy beyond that of the average teenager.

In a nut shell my ideal PA role would involve organising and maintaining diaries and making appointments, travelling, attending meetings with my manager and so on...basically all in one "entourage service". My ideal manager could be anything from an editor or photographer to a designer or stylist.

If you're interested and you think I'll benefit from working with you, email me on tobi.1@hotmail.co.uk with a brief description of your role/company, how long you'd like me to assist you for and we'll take it from there. You will not be disappointed and hopefully I'll feel the same; I hope to hear from you soon.

Tobi

(If you're not looking for an assistant, I'd appreciate your advice and comments) :)
