Ok. I am currently at some cross roads and I am pulling my hair out. I need somebody to complete my prototypes of my handbags in leather.

I am based in London and I need four finished by the end of this week. The main designs features have been completed. This is a very big contract and will recieve masses of media atention due to the nature of the project.

Please call Emma if you can help on 07747186730.

I look forward to hearing from you

Hi Emma,

Have you tried using the Manufacturer's Online Showroom on [www.fashioncapital.co.uk](http://www.fashioncapital.co.uk)? The Showroom has been created to assist designers like yourself with finding the perfect manufacturer to best suit your requirements. This is a quick and easy to use filter system where you type in and choose your requirements and we can narrow down your choices to find your perfect match.

Best of luck

Emily
