Hi

I am a designer with a interesting womens collection with a Asian/West twist to it, looking to sell my collection to the wholesale market.

The collection can be viewed on my website at <http://www.silhouettebysuria.com>

I can be contacted at 07961087508 or 02085144147.

I look forward to hearing from you soon.

Thanks

Suria

Hi Suria,

You should definitely write a profile about yourself and the products that you sell, which you can send to tom@fashioncapital who will then post it on the profiles section on fashioncapital.co.uk. This will increase the amount of exposure you will receive and in turn, hopefully increase the amount of work you receive,

Look forward to hearing more about your product on the site!

Kind Regards

Emily

Hi

I am a Jewellery Designer. I create glass beads to use in my designs.

Have a look at www.craftyclare.com to see if you are interested.

My designs are quite chunky, & can be created in any colour.

Recycled glass & ethical collection available.

Contact me at mail@craftyclare.co.uk

Thanks :P

Clare

What is your website? I would like to see what styles you have promoted before.

Many thanks
