Hello Bhav,

Have you checked out the Manufacturer's Online Showroom on [www.fashioncapital.co.uk](http://www.fashioncapital.co.uk)? The Showroom was created to provide designers with a quick and easy to use filter system to help find the perfect manufacturer that best suits their requirements. This unique advertising concept in return to the manufacturer provides increased exposure to your exact target market via our 5.5million hits every month from over 60,000 unique industry related users. This initiative has proven extremely successful as Andrew from The Sampling Unit in London can confirm he receives more enquiries through FashionCapital than through the Yellow Pages or yell.com! To join our 80 existing manufacturers all benifitting from this one of a kind advertising opportunity, please contact me on 020 8681 5014 or [emily@fashioncapital.co.uk](mailto:emily@fashioncapital.co.uk).

Kind Regards

Emily
