
We Need Production Assistant ASAP

Posted by StyleShake - 2008/05/05 22:02

StyleShake.com, a new & exciting online bespoke women's wear site is looking for a production assistant to help our hectic manufacturing department.

You will be in charge of all stages of the critical path, stock management, order dispatching and tracking as well as customer service.

You should be organised and highly motivated with one year experience or more.

Please contact: gulay@StyleShake.com
