You should write a profile on yourself around 150 - 200 words and send to emily@fashioncapital which we can then post on the profiles section on fashion capital to increase the amount of exposure you receive.

You may like to include some images of examples of your work and a pic of yourself too,

Hi,

I am wondering whether there is an online resource for this? I am also looking for models, other than the ones my photographer is sourcing through the agencies.

Anyone know of any websites?
