Hi

I'm looking for a pattern cutter / grader and sampler who i can work with in the leeds area who could help me produce short runs of high quality sweatshirts / shirts & military inspired jackets for the menswear market. initially i am only looking at runs of around 10 per garments style.

I have already contacted business link with my enquirey but there has been no positive leads as yet, if anyone on here could help please email me at [imagesubmissions@hotmail.com](mailto:imagesubmissions@hotmail.com)

Many Thanks

Hi there,

Have you tried contacting the School of Design University of Leeds? There may be some talented graduates who are willing to assist you. The contact number for the University is +44 (0)113 34 33700, you can find a list of staff contacts on their site <http://www.textiles.leeds.ac.uk/staff.htm> - if you email the relevant staff member, they may circulate an email to their pupils. Also Graduate Fashion Week is amongst us in London, if you wanted to pop down and scout for emerging designer talent this is the place to look,

I hope this advice can be of assistance to you,

Good Luck and if you are still struggling you can contact me directly on [emily@fashioncapital.co.uk](mailto:emily@fashioncapital.co.uk),

Kind Regards

Emily
