Hi

I have just joined Fashion Capital as I am graduating later this year. So far i have found this website really useful and I can't wait to indulge in the real aspects of the industry and see my collections in stores. I'm sure I will be in touch with regards to any inevitable obstacles that may arise in my quest to land heavily in the real world of fashion.

Look forward to meeting the Fashion Capital Team

Are you going to be at Graduate Fashion Week? If so come along and see us we have a stand there.

If you are local to London come and meet us at either our Hayes Head Office, Croydon boutique or Barking Boutique.

Look forward to meeting you.

Regards
