Hi Vicky not sure if you are asking about FashionCapitals services or the original posting. At FashionCapital we aim to network you into the industry and get connected to the right people. If you are looking for free lance work then write a profile about yourself so we can post it on this site for free. Lets include some pictures too so potntial clients can see your work.

If you are a member we can arrange to meet so we can connect you with the contacts we have such as ASOS.com, TopShop concessions, HOObbs, Debenhams etc. Remember we have our own boutiques too so if you are producing garments then we sell them for you so you receive an income.

Regards

Jenny .

Leo I can see you are on line now but I have to sign off. WE are seeing ASOS in two weeks time...why don't you join us as a member. We can then take your products along to the meeting with us and see if the head buyer likes approves them. If she does she will then give us the contact for menswear. We have already met the menswear head desginer who used to be at Debenhams and strongly supported our fashion event Profile.

Suggest we get things moving. Why don't you call Emiliy today who is in our Croydon Boutique on 020 8681 5014 and have a chat with her. You would have to join as a member to Fashion Enter though but for this we could also put your collection in the boutique too plus give you a free eCommerce boutique on fashioncapital too.

Nothing ventured Leo nothing gained

Regards

Jenny

Hi Carole!

I am in the process of designing a range of bags which will all be handmade by me, each one adorned with punchy coloured graphics.

Can you tell me what you're looking for and for what purpose please? I'm intrigued to know more!

Hi Samantha,

I am trying to find someone who can make samples of handbags and purses for me.

They would be made out of different types of materials. It is only 1 sample per design I am interested in getting made.

I would like to test the market with the samples made.
