We are running a series of evening classes in fashion business. Learn about buying, visual merchandising, stock management, staffing, accounting and much more.

Taught by Ex-Harrods buyer and successful luxury boutique owner Victoria LLoyd, this course is invaluable to anyone who currently owns a business or those who want to start up on their own.

The course is running in London for 4 weeks.

Visit the styleaware site (please google Styleaware as we are unable to post the address on here!!)

We are also running a summer styling workshop, and other evening classes in fashion PR (taught by PRs from Prada, Theory, and Sportmax), fashion journalism (taught by fashion journalist Becky Howard who has written for Glamour, Cosmopolitan and Sugar) and personal shopping.

Please email us for further details!
