
NEW! SATURDAY STYLING WORKSHOPS

Posted by StyleAware - 2008/07/02 10:52

Do you want to be taught by the best?

Following the success of our fully booked summer styling workshops, STYLEAWARE are proud to announce a new set of dates for their much coveted one day intensive styling workshops.

This is the only course around where you will be taught in such a small group. Faye Marriott has worked on projects with Vogue (UK, USA, Spain, Japan, China), Stella Magazine and The Saturday Times Magazine, and is on hand to give you one to one training. No other course offers the expertise and experience that Faye has.

You will be given a number of exercises to work on prior to the workshop, and you will be given the opportunity to style, direct and create your own photoshoot. You can use this shoot as your first test shoot to impress prospective employers. The workshops are held in East London in a photographic studio.

The forthcoming dates for 2008 are:

AUGUST 30TH
SEPTEMBER 2TH
OCTOBER 25TH
NOVEMBER 22ND
DECEMBER 20TH

Unlike many course, places are STRICTLY limited to allow you enough time with Faye and to shoot. Please note, these are one day, intensive workshops.

Please email us asap to check availability!

You will need to Google Style Aware (one word)
