
WANTED: Street Fashion Photographers

Posted by styleimages - 2008/07/04 12:28

We are currently looking for freelance street style photographers around the world, including those based in either London, Paris, Tokyo or New York.

This is fun and exciting work most suited to a confident person with an interest in fashion trends.

Please email some information about yourself and a couple of examples of your work to styleimages@googlemail.com.

Hello,

I am a freelance print, graphics and embroidery designer. I have worked for a lot of the British High Street retailers for over 6 years. I am always out and about with my camera for my own research and would love to photograph for you. I live in London and love to see what people are wearing. Do contact me for further information.
