Hi Lify,

Why don't you showcase your services on www.fashioncapital.co.uk's Manufacturer's Online Showroom, this is a unique advertising concept available for manufacturers and CMT's to advertise exactly which services they offer whilst providing up to 6 examples of work carried out in the past to lure designers into using your services.

The Manufacturer's Online Showroom has been a resounding success and now has over 80 units showcasing their work. Andrew from The Sampling Unit in London receives more enquiries through FashionCapital than via the Yellow Pages!

If you would like to utilize this unique business opportunity then please do not hesitate to contact me on either emily@fashioncapital.co.uk or 020 8681 5014.

Kind Regards

Emily
