
printed fabrics for new collection

Posted by hungerfordboyle - 2006/12/21 08:13

i have just designed a clothing collection and was interested in printing my own fabric , this i sproved to be expensive , around 35 pounds a meter , would anyone know where i can start ? or anywhere that is going to be cheaper ? Thanks ;)

Hi you did not say what fabric you are printing on so I presume that it's silk?? Have you tried the Silk Bureau?

Regards

Jenny

also look at these:

www.beckfordsilk.co.uk

forestdigital.co.uk

www.rasmart.co.uk

it's been a long time since you posted the question. maybe you now know of some good fabric printers? Would be much appreciated)

Have you tried using the Manufacturer's Online Showroom on www.fashioncapital.co.uk? This is a quick and easy to use filter system tailored to help you find the perfect manufacturer to best suit your requirements. The Showroom is located in the Business section on the left hand navigation.

Good Luck!

Emily

I can think of quite a few designers that would love this service.

Have you spoken to Emily since? 020 8681 5014 or email emily@fashioncapital.co.uk

Regards
