Hi why don't you come and see us in our boutique in Croydon - we have a fabulous selection of new and emerging designers there and we already supply a host of smaller and larger retailers.

The boutique is called Fashion Enter and is the sister company to this site www.fashioncapital.co.uk. We supply Asos.com directly and there's over a 1000 desingers on our actual data base...there's nothing we can't find!

Boutique number is 020 8681 5014 and speak to Hayleigh Amos

Regards
