
someone to review my clothing website

Posted by brady - 2008/07/24 20:20

anyone from magazine/anyone with a blog/fashion related website to review my website kissofcouture.com please get in contact so we can work something out.

To give you extra traffic we are happy to consider you having a blog on this site that hyper links into your website. We would want a receprocial link from yours to ours but this would generate much more hits and unique users.

If you are interested speak to tom@fashioncapital.co.uk

Regards
