
Northern based companies looking for new personnel

Posted by PRO-LINK EUROPE PRO-LINK EUROPE (imported from previous forums) - 2004/02/25 09:46

We have many clients who are based in areas north of London and would like to hear from any candidates either living or willing to move to these areas. There are a range of positions including Quality Assurance Manager, Garment Technologist and Jnr Designers.

Please forward your CV with covering letter to Kaye O'Brien at the details below.
